This CD album is a collection of some of my favorite songs. Through out my entire life, the Lord has blessed me abundantly. It is my hope that these songs will be a blessing and an uplifting experience for you. After all, there is nothing greater than "God's Love". His commitment to our well being is the most precious and valuable gift He has given us. With the Lord's love and grace, we will walk with Him. Our lives are His, and He will take care of us.

I would like to thank my family and friends for their encouragement, love and support. I especially want to thank David Williams for his assistance in putting this CD together. You are the true author of a "White Christmas" CD. I'd like to thank the following: B. B. Cardie, Keith "Foggy" Fogarty, Phil "The Professor" Clark, Keith "The Man" Williams, Sam Terry, Jonathan "Sam" Bobby J. Hobson, Dennis "Dennis" Brown and participation in "I Love Love and Another Chance" (Guitar solo by "The Man" Bobby J. Hobson) and "Calling Down An Angel" by David Williams. **MY HOBBIES**

The image features a dark background with a central rectangular box containing the text "MY MEALS". The box is outlined in a thin, glowing golden border. The text is in a bold, red, sans-serif font. The background is decorated with numerous golden bokeh circles of varying sizes and brightness, some appearing as soft, out-of-focus lights and others as sharper, more defined circles. There are also four distinct starburst or lens flare effects, one at each corner of the central box, adding a sparkling effect to the design.
